Dear Friends,

The Rt. Rev. Charles Jenkins and I are thankful and delighted that the Presiding Bishop and her office have found two wonderful people to take over the U.S. leadership of the Anglican Centre in Rome.

The Rev. Kurt Dunkle, from the Diocese of Florida, will be taking over the leadership of the American Friends, and both he and the Rt. Rev. Catherine Waynick, Bishop of Indianapolis, will be in Rome to be elected governors at the November meetings.

This is very good news. Charles and I look forward to staying involved, but with the 50<sup>th</sup> Anniversary of the Centre coming up in 2016 and an international capital campaign getting underway, the time is perfect for these two talented leaders to breathe some new life into this work.

No one knows when unity will come, but it will one day. By maintaining friendly and informed relations with the Roman Catholic Church, we are preparing the way.

With every good wish,

  
Mary Reath
